

**PROFESSIONAL PHARMACY CONSULTANTS** is a JCAHO accredited long term care pharmacy owned and operated by Bay Regional Medical Center, a subsidiary of McLaren Health Care.

Our mission is to provide quality health care at a competitive price. We are locally owned, and have served East Michigan for more than eighteen years.

In the face of increasingly expensive health care costs, our focus remains the same: Getting you and your patients the best value.

# What Pharmacy Services Do You Need? How do you define service?

## We're Listening...

We listen to your needs and work to become an extension of your staff

## We Care...

We focus on providing the best care possible for each patient, but we don't stop there. We provide the quality assurance you can always count on.

## We Respond...

Solving problems requires flexibility. Service relies on commitment. We've built our business on responding to the needs of our facilities, their staff, and our patients.

## We Keep Costs Low...

Maximizing contract purchasing, we work hard to keep costs to your facility and your residents low. Our prices compare favorably with other area providers.

## If you want...

- Error-free medication passes
- Personalized Service from a locally owned pharmacy provider
- Competitive Pricing for your residents
- Safety and Ease when administering medications
- To Eliminate Reordering of routine oral solid medications
- To Take the Guesswork Out of dosage adjustments and every other day schedules
- Better Communication with your pharmacy specialists
- Peace of Mind and quality time with your residents

**...then let PROFESSIONAL PHARMACY CONSULTANTS  
SERVE YOU AND YOUR RESIDENTS.**
